

WHEELING SELFIE SPOTS

There's plenty to explore in Wheeling, so we've chosen a few of the best places to visit and take a selfie! Head to your favorite spots, snap some pictures, and share them on social media with #WhenInWheeling.

A HANCHER CLOCK 14TH AND MAIN STREET

A project of Wheeling Heritage, this 1889 clock was restored and put in front of the Wheeling Visitors Center in 1998. Take a selfie with the historic timepiece, then stop into the Visitors Center to plan your time in Wheeling.

B CENTRE MARKET 2200 MARKET STREET

The Centre Wheeling Market, built in 1853, is a historic public market older than the state of West Virginia! Take a walk around the market, find your new favorite shop or restaurant, and take a selfie to mark the occasion!

C HERITAGE PORT 14TH AND WATER STREET

This waterfront park reconnects Wheeling with the Ohio River. Head to the port and walk along Heritage Trail for plenty of picturesque selfie opportunities, such as one with the Suspension Bridge in the background.

D OGLEBAY MANSION 1330 OGLEBAY DRIVE

The 1846 Oglebay Institute Mansion Museum is the former summer home of millionaire philanthropist Earl W. Oglebay. Walk inside, step into the past, and explore Wheeling's history. Then, snap a selfie with Mr. Oglebay's portrait.

WE ARE A CATALYST FOR THE
REVITALIZATION OF WHEELING

We work to preserve and enhance all the resources that make Wheeling unique. Because without the assets that make Wheeling special, we'd be like any other city. Whether we're working with developers or public officials, our work aligns with this common theme for the greater good of the entire community.

ARTS & RECREATION:

We built the award-winning riverfront amphitheater, Heritage Port, and we hold family-friendly events on Heritage Trail to engage and connect our community with the Ohio River. We host art exhibits at the Artisan Center throughout the year.

HISTORY:

We developed the Artisan Center, a renovated industrial building at 1400 Main Street, and we're spearheading a grassroots restoration of Mt. Wood Cemetery. We've placed interpretive signs throughout Wheeling, which explain the historical significance of landscapes, sites and buildings.

COMMUNITY DEVELOPMENT:

We run Wheeling's Main Street program. We focus on community and business development, city planning and public art to create a more vibrant, engaged community. Our Show of Hands event awards funding to projects that are helping to make Wheeling a better place.
