“Handmade Holiday” To Be Held at Artisan Center on Dec. 4

WHEELING, W.Va. – Dec. 29, 2021 – Wheeling Heritage will host its third Handmade Holiday on Saturday, Dec. 4 on the third floor of the Wheeling Artisan Center. The event will run from 10 a.m. to 5 p.m. and will feature 35 juried artists selling their work. Admission is free.

Handmade Holiday is inspired by the independent craft fair movement throughout the country. The event strives to establish a marketplace of unique and creative handmade goods that supports local artists, while increasing awareness about handmade, locally produced craft goods and processes.

“We’re excited to be able to host Handmade Holiday this year after having to cancel in 2020 due to the pandemic,” said Alex Panas, Wheeling Heritage communications manager. “We have several new and returning artists who each offer something unique for shoppers to discover. Whether you are looking for original artwork, jewelry, holiday decorations, there will certainly be something for everyone.”

Wheeling Heritage will provide free hot chocolate and coffee for attendees throughout the day. Attendees who make purchases from at least five vendors will be entered into a raffle to receive a \$50 gift card to the Wheeling Artisan Center Shop.

“This is a great opportunity to do some Christmas shopping while supporting local makers,” Panas said. “There’s a lot to be said about keeping your holiday spending local, especially since so many artists were not able to sell at in-person markets over the last year and half. We’re expecting a great turnout this year and are ready to spread some holiday cheer.”

The artists participating in the event include:
